

WORLD CHILI PEPPER TRADE SHOW – RIETI 29th AUGUST – “SPICY WORLD WORKSHOP”

Rieti, 21st August 2019

AUGUST 29TH

“Spicy World Workshop”, Teatro Flavio Vespasiano, Via Garibaldi, Rieti, 16.00 (Contact Paolo Giraud ph. 3342571238)
The Italian National, Regional and Local Authorities and Business Associations meeting the Foreign Delegations.

AGENDA

The Focus of the workshop is to introduce each country potential in the Spices & Herbs Industry and in general in the Agriculture Industry, with the aim to identify fruitful ways of collaboration. Some Topics:

- The increasing interest in international ethnic cuisines combined with the healthy living trend offers opportunities for exporters from developing countries.
- European importers are looking for high-quality and sustainably sourced spices and herbs, which can provide opportunities for suppliers interested in following production and sustainability standards.
- European buyers with financial resources can work closely with suppliers and invest in setting-up their own facilities in countries of origin.
- Italy is a world leader in Agriculture Processing Machinery Industry to match producing countries need to implement standards of quality for international export requirements.

We ask to prepare a short presentation of your country potential in order to stimulate the Workshop discussion.
